

THURSDAY SEPTEMBER 24, 2026 // GOAT HILL PARK, OCEANSIDE

The Brother Benno Foundation is a nondenominational 501(c)(3) charity dedicated to serving homeless neighbors, the working poor, and seniors in North San Diego County through meals, basic needs assistance, community outreach, and addiction recovery support.

Our annual Charity Golf Tournament returns to Oceanside's iconic Goat Hill Park for a one-of-a-kind day of golf, community, and impact. Backed by eleven-time world champion Kelly Slater, returning sponsors Outerknown and C3 Bank, and support from generous North County businesses, the tournament features ocean views, premium swag, and standout silent and live auctions filled with luxury items and exclusive golf and surfing experiences.

Brother Benno's mission and our tradition of sponsoring local active-duty military golfers* continues, and exceptional live music from across the pond will round out a great day.

OUTERKNOWN CARLSBAD PRE-TOURNAMENT EVENT Wednesday, September 23 from 4 to 7 pm

Join us at Outerknown's Carlsbad Forum store for music, food, drinks and shopping, with a percentage of all sales donated to Brother Benno's. Founded to lead the revolution in sustainable apparel, here is your chance to grab an Outerknown blanket shirt and more while helping to make a big impact locally and beyond.

GOLF TOURNAMENT LIVE AUCTION ITEMS

*Get Your
Tickets!*

KELLY SLATER WAVE COMPANY SURF RANCH EXPERIENCE // \$100,000 VALUE

The Kelly Slater Wave Company will donate an evening at Surf Ranch in Lemoore, CA, where you can experience one of the best waves in the world under the lights with 11 of your friends. Surf Ranch is the first of its kind, an immersive surf lifestyle experience in the middle of farm fields in Central California (over 100 miles from the ocean). Surf Ranch is a bucket-list surf destination resort, offering epic waves, farm-to-table cuisine, and lifelong memories for those who visit.

FIREWIRE SURFBOARDS // \$1,000 VALUE

Firewire Surfboards & Slater Designs elevate the surfing experience through innovative design, new materials, and advanced construction methods. In collaboration with surfboard designers like Rob Machado, Daniel Thomson, and Dan Mann, we aim to maximize stoke in our oceans and minimize waste in our landfills. Don't miss a chance to bid on other special boards we bring.
